

TMRC 2013

The Magnetic Recording Conference

<http://www.tmrc2013.riec.tohoku.ac.jp/>

August 20-22nd, 2013

Tokyo Institute of Technology, Tokyo, Japan

What is the future for HDD and Tape? What technologies will enable storage-densities beyond 1 Tbit/in²?

Shingled Magnetic Recording, Heat-Assisted Magnetic Recording, Microwave-Assisted Magnetic Recording, Bit-Patterned Magnetic Recording, Two-Dimensional Magnetic Recording, Heads, Media etc.

Sponsored by IEEE Magnetics Society
